Product Description

Kress 60V Brushless Axial Blower - KG561

KRESS lithium-ion battery-powered blowers have set the new benchmark in handheld blower airflow. Extreme power makes your most difficult clean-up jobs a breeze. Without fuel mixing, starter cords, and chokes, your blower is ready when you are. Enjoy professional-level performance without the complexity of a typical gas-powered blower.

- Petrol-like performance for the toughest applications
 - 1, 2, 3 Speeds + Turbo for low to high power blowing requirements.
 - Provides instant on/off opportunity to improve work efficiency and conserve battery life.
 - Kress-built brushless motors provide more power, longer runtime, and extended lifespan over standard brushed motors.
-
