Product Description

Bobcat AE72 Tow-Behind Aerator

Introducing the AE72 by Bobcat, a robust and efficient aerator designed to enhance soil aeration and promote healthier turf. The AE72 boasts a working width of 72 inches, and can cover up to 3 acres per hour, making it perfect for large recreational areas, golf turf, and sports fields.

The AE72 comes standard with 96 aeration tines, but can be doubled for up to 192. Paired with the customizable weight trays, and cast iron wheels, this unit is equipped to deal with any large aeration task.

Covering up to 3 acres per hour, the Bobcat AE72 aerator is ideal for golf, sports turf, and large recreational fields.
