Product Description

Bobcat 48" ZT2000 Zero-Turn Mower

The Bobcat® ZT2000 offers more commercial-grade features than other zero-turn mowers in the same price range. It's the perfect Bobcat zero-turn mower for people who want durability and a professional cut at a lower cost. Power and performance are at your command to get the cut you always wanted, with superior cutting-deck airflow and discharge, deck height adjustments that can be made on the fly, and smooth operation all day long. The ZT2000 features ergonomic controls, a Kawasaki® FR series engine, productive cutting speeds up to 7 mph, the TufDeck™ cutting system available in three widths, and more.

- Commercial cutting capability
 - Sturdy steel frame
 - Commercial-Grade Transmission
 - High-back spring-suspension seat
-
