Product Description

Bobcat 61" ZT6000 Zero-Turn Mower

You demand just as much from your machines as you put into your business. Not all zero-turn mowers can live up to that expectation - but the ZT6000 can. With features like an innovative drive system, rugged design and powerful Kawasaki® FX801V engine, the ZT6000 zero-turn mower delivers all you need to make even the toughest jobs look easy.

- The Hydro-Gear ZT-4400 drive system keeps your machine's transaxles performing at optimum output levels with improved control while reducing vibration and noise.
 - The bullnose AirFX™ deck delivers a better quality of cut - bar none. Using innovative air-gap baffles and vacuum seal technology, it creates superior airflow and lift on every blade of grass for an impressive quality of cut every time.
 - With dual 15-gallon fuel tanks, the ZT6000 zero-turn mower lets you go from job to job without stopping to refuel.
-
