Product Description

Bobcat AE19 Walk Behind Aerator

The AE19 is the smallest aerator in the Bobcat turf renovation lineup, making it a great machine for highly landscaped areas. With Easy-Steer technology, the Bobcat® AE19 maneuvers around highly landscaped areas quickly and efficiently. Designed to rotate independently while driving, the innovative tine assemblies allow the AE19 to be steered without removing the tines from the ground - opening a whole new world of productivity.

- 19 in. working width
 - 30 hardened alloy steel coring tines
 - All operating controls located at the handlebar for convenient and easy operation
 - Equipped with Easy-Steer technology
 - Toolless folding handle allows aerator to compact for hassle-free storage and transport
-
