Product Description

Bobcat CT2535 Compact Tractor

This 35-hp compact tractor offers the comfort of a heated and air-conditioned enclosed cab and ease-of-use with a hydrostatic transmission.

- Excellent maneuverability for a variety of work around an acreage
 - Rear PTO standard/mid-PTO optional
 - Platform integrated joystick lever makes front-end loader work simple
 - Category 1 three-point hitch
 - The popular CT2535 is the most economically priced tractor in the Bobcat compact tractor lineup that offers a heated and air-conditioned enclosed, factory-installed cab for year-round comfort and productivity.
 - The compact tractor's hydrostatic transmission allows you to maneuver easily around your acreage and you can do more with one machine using the Category 1 three-point hitch for a variety of implements and attachments.
 - Easily conquer front-end loader work with the comfortable integrated loader joystick lever.
 - The tractor comes standard with rear PTO, and you have the option for mid-PTO.
 - With 35-hp and standard four-wheel drive, the CT2535 packs a powerful punch, making it ideal for summer chores like mowing, hauling and digging, as well as clearing snow in the winter.
