Product Description

Bobcat DT18 Push Dethatcher

Built for years of reliable operation, the Bobcat® DT18 is designed with one focus in mind: efficient and effective dethatching.

- 18 in. working width
 - Ergonomic, multi-position handle
 - Off-the-ground transport mode
 - Bubble shield prevents thatch buildup
 - Optional overseeding box
 - Ergonomic, multi-position handle is designed for different user heights and folds for compact storage and transport.
 - Quickly hop from job to job by lifting the reel off the ground and locking it for transport mode.
 - Easy to replace and maintain, the bubble shield prevents thatch from building up under the deck - minimizing unnecessary downtime.
 - Easy-on, easy-off seed box accessory features handle mounted controls to regulate seed flow - allowing the DT18 to do double duty.
 - Choose from spring, fixed, or flail reels to best suit your turf.
