Product Description

Bobcat L35 Small Articulated Loader

The Bobcat® L35 small articulated loader combines agility with added power to tackle heavier lifting, loading and attachment work - all while keeping a light footprint. With higher rated operating capacity, powerful hydraulics and enhanced comfort features, the L35 is engineered to handle demanding jobs with confidence.

- Lift more and reach higher with increased rated operating capacity and a longer telescoping lift arm.
 - Stay productive all day with an optional factory-installed cab featuring heat, A/C and ergonomic joystick controls.
 - Work anywhere with turf-safe mode and low ground disturbance design.
 - Run more attachments with optional high-flow hydraulics and dual auxiliary flow.
 - The L35 delivers a step up in performance from the L28, giving operators more power, comfort and control for heavier-duty work in tight spaces.
 - Greater hydraulic power and high-flow capability for demanding attachments.
 - A spacious cab with heat, A/C, Bluetooth® radio and fatigue-fighting features.
-
