Product Description

Bobcat S590 Skid-Steer Loader

The tight-turning S590 features an efficient 68-horsepower engine without the need for a diesel particulate filter, reducing downtime and maintenance costs.

Get two-speed travel and spend less time traveling across job sites. You'll move faster and get your work done faster with this time-saving feature.

The S590 and all other Bobcat machines are backed by a large network of Bobcat dealers that are committed to keeping you productive.

Your toughest jobsite tasks just met their match. The S590 skid steer delivers impressive engine power, hydraulic performance and lifting capabilities for efficient material handling and attachment operations. Just select a feature package and let the time-tested S590 do the heavy lifting.

- Leading jobsite versatility
 - Cold-weather engine protection
 - Full-access serviceability
