### Product Description

## Bobcat S64 Skid-Steer Loader

The Bobcat® S64 skid-steer loader features improved cooling and enhanced machine protection.

With a spacious, one-piece sealed and pressurized cab, ergonomic controls and optional clear side enclosure with automatic heating and air conditioning, it's clear why operators choose this powerful, agile machine.

Featuring exceptional maneuverability and excellent turning and skidding abilities, the 68-hp S64 makes it easy to accomplish more when working in tight spaces.

The Bobcat engine meets Tier 4 regulations without the need for a diesel particulate filter, which reduces downtime for regeneration and long-term maintenance costs.

The Bobcat® S64 skid-steer loader brings new meaning to revolutionary performance.

- Industry-leading breakout force, rated operating capacities and faster cycle times
  - One-piece, sealed and pressurized cab, clear visibility and operator-friendly controls
  - Engineered to deliver maximum hydraulic performance
  - Convenient access for routine maintenance
  - Exceptional maneuverability
-
