Product Description

Bobcat T550 Compact Track Loader

The 68-hp Bobcat® T550 compact track loader gives you an edge on the jobsite with powerful hydraulics, fast cycle times, and powerful breakout forces.

With more than 55 available attachments, no competing track loaders can give you more versatility to accomplish more and get the most out of your machine.

Get more usable horsepower from the T550's design, balance, and weight distribution. Work quicker, lift more and outperform your competition.

The T550 features a durable undercarriage system engineered for lasting durability. You won't find a tougher track system on the market.

From construction jobs to landscaping, plus farming and more, count on the Bobcat® T550 compact track loader's innovative fuel system and rugged radius-lift-path design to help you get the tough jobs done.

- Durable undercarriage system
 - Operator-friendly controls
 - Roomy cab with premium comfort features
