Product Description

Bobcat UT6566 Utility Tractor

The Bobcat® UT6566 helps you stay comfortable and confident while tackling projects. Its high performance and next-level implement versatility get the job done with efficiency and ease of use.

The Bobcat UT6566 utility tractor features a comfortable fully enclosed cab that includes heat and air conditioning and is radio ready.

- A 66-horsepower diesel engine delivers robust, high-power performance with impressive low-end torque and fuel efficiency
 - The 12x12, three-range powershuttle transmission delivers smooth, easy shifting on the go and efficient, intuitive front-end loader work
 - A mechanical self-leveling front-end loader keeps your load level when raising and lowering the bucket
 - A Category 2 3-point hitch, rear PTO and one pair of standard rear remote hydraulic hookups (with the option of a second and third)
-
