Product Description

Bobcat UW53 Toolcat Utility Work Machine

The UW53 Toolcat™ Utility Work Machine is the leading do-it-all machine. This machine increases your productivity with its 3-point hitch and PTO.

- Operator-friendly controls
 - All-wheel steer
 - Efficient Bobcat® Tier 4 engine
 - Horsepower management
 - The UW53 Toolcat™ has comfort features that include 360-degree adjustable vents, an integrated 5-inch display and improved visibility to front-end attachments.
 - Inside the cab everything you need to operate is cleanly laid out, within easy reach and simple to use. Convenient, intuitive and ergonomic controls on the joystick allow you to operate attachments without the need to look away from your work.
 - Take full advantage of the UW53's unmatched versatility by pairing it with more than 45 attachments and implements.
 - Toolcat utility work machines are prepared to take on the elements with advanced corrosion protection.
-
