### Product Description

## Mini Big Green Egg: Portable Ceramic Kamado Grill

The Mini Big Green Egg delivers premium kamado cooking performance in an ultra-portable design. Weighing just **39 lbs (18 kg)**, this compact ceramic grill brings professional-grade grilling, smoking, and baking capabilities to any outdoor adventure.

### Compact Design with Premium Performance

Perfect for intimate gatherings and small-space cooking, the Mini features a **10-inch (25 cm) diameter cooking grid** with **79 square inches (507 sq cm)** of cooking space. Despite its compact size, this kamado grill delivers the same exceptional heat retention and flavor enhancement as larger Big Green Egg models.
