Product Description

Massey Ferguson® 8700 S Series

We've put over a century and a half of farming innovation into each tractor we make, and we've engineered the Massey Ferguson® 8700 S Series to provide the performance and versatility to tackle any job you throw at it. Whether it's row crop or dairy operations, planting, mowing, or hauling, the MF 8700 S Series won't quit until you do.

If you need to get the job done right, this is your tractor.
