Product Description

Toro PROLINE™ HDX 48" Mid-Size Mower - 44448

Contractors know every second not mowing is a lost opportunity, and training your crew on new equipment can cause unnecessary setbacks in time and money. Maximize your efficiency with the Toro Mid-Size ProLine mowers. Not only will your crew be mowing in no time with easy-to-learn controls, but you'll also enjoy top-line reliability and professional cutting performance. You'll love the convenience of the 2-wheel sulky, which rotates 360 degrees and simply folds away when not in use; no more attaching and removing when trailering! And you can rest easy knowing that Toro stands behind its mowers with a 3-year, 750-hour warranty. And as a Toro owner, you'll have access to nearly 3,000 servicing dealers across the U.S. and Canada ready to assist you. Count on it.

- Drive With Ease - Shred grass in no time with the easy-to-learn twin-lever controls and drive assist with three settings and upgraded hydros.
 - Mowing Muscle - Ensure you never lose a job because of broken equipment with a Kawasaki FX engine that drives .204" blades for a gorgeous, professional cut.
 - Made to Last - Your Toro is also built to take on years of rough rides with a bull nose bumper, 7/10-gauge deck, rubber discharge chute and 20" wheels with curb clearance.
 - Quick Adjustment - Changing cut lengths on the go is a snap with a single-point height of cut adjustment.
-
