Product Description

eXmark 60" Radius X-Series Zero Turn Mower

Armed with a powerful Kawasaki FX921V commercial engine and a 60-inch UltraCut Series 4 cutting deck, the new Radius X-Series zero-turn mower leads the pack when it comes to productivity, cut quality, and value. The Hydro-Gear integrated transmission and aggressive Kenda drive tires deliver maximum control, with ground speeds of up to 10mph forward. An adjustable full-suspension operator seat takes operator comfort to a whole new level, making Radius X-Series a zero-turn mower you'll look forward to using every time.
