Product Description

Wright Stander ZK 72" EFI Floating Deck Stand On Mower

ULTIMATE & POWERFUL.

When we developed the Stander® ZK, nothing was held back! The result is the most productive and versatile large frame mower ever built. Big-bore EFI engines provide power without compromising efficiency. High flow hydraulics propel high traction 23" or 24" tires for excellent hill holding, and dual-sided fuel tanks provide all-day run time. Take on your next season with a ZK. It's the ultimate stand-on mower. Period.
