Product Description

Maruyama B420 Trimmer

The Maruyama B420 Trimmer offers more power, durability, and ease of use than ever before. This unit is equipped with bull horn handle for increased cutting control and end user comfort in mind. The easy start system will have you up and running in no time.

Extra-tough Brushcutter equipped with Bullhorn Handles. Solid steel drive shaft, full anti-vibration system and heavy-duty bearing supported gearcase provide the ultimate operator comfort. These are among our most popular models for municipal agencies, power companies, highway landscaping maintenance, ranchers, and farmers. Built for the most demanding professionals. The Maruyama extreme duty brushcutters are ideal for metal blade applications, the bullhorn handles offer the best control and operator security.

The Maruyama B420 Trimmer offers more power, durability, and ease of use than ever before. This unit is equipped with bull horn handle for increased cutting control and end user comfort in mind. The easy start system will have you up and running in no time.

More power, durability, and engineering than ever before!
